

**May 24, 2017****NR: 17-05****Lumina Gold Announces Results of AGSM**

**Vancouver, British Columbia - Lumina Gold Corp. (TSXV: LUM)** (the "Company") announces the results of its annual general and special meeting of shareholders held on May 24, 2017 in Vancouver. At the meeting, shareholders voted in favour of electing each of Marshall Koval, Lyle Braaten, Donald Shumka, Michael Steinmann, Stephen Stow and Heye Daun as directors of the Company to hold office for the ensuing year. The shareholders also voted in favour of each of the other matters considered, including appointing auditors for the ensuing year, authorizing the board of directors to determine the remuneration payable to the auditors and confirming and approving the Company's 10% Rolling Stock Option Plan.

**About Lumina Gold**

Lumina Gold Corp. (TSXV: LUM) is a Vancouver, Canada based precious and base metals exploration and development company focused on gold and copper projects in Ecuador. The Company's Cangrejos Gold-Copper project is located in El Oro Province, southwest Ecuador, and its Condor Gold-Copper project is located in Zamora-Chinchiipe Province, southeast Ecuador. The Company also holds a large and highly prospective land package in Ecuador consisting of 134,573 hectares. The Company has an experienced management team with a successful track record of advancing and monetizing exploration projects. The Company intends to continue to identify, acquire and advance mineral exploration properties that have large scale potential.

Further details are available on the Company's website at <https://luminagold.com/>.

**Cautionary Note Regarding Forward-Looking Information**

Certain statements and information herein, including all statements that are not historical facts, contain forward-looking statements and forward-looking information within the meaning of applicable securities laws. Often, but not always, forward-looking statements or information can be identified by the use of words such as "will" or variations of that word and phrases or statements that certain actions, events or results "will" or are "intended to" be taken, occur or be achieved.

With respect to forward-looking statements and information contained herein, the Company has made numerous assumptions including among other things, assumptions about general business and economic conditions, the prices of gold and copper, and anticipated costs and expenditures. The foregoing list of assumptions is not exhaustive.

Although management of the Company believes that the assumptions made and the expectations represented by such statements or information are reasonable, there can be no assurance that a forward-looking statement or information herein will prove to be accurate. Forward-looking statements and information by their nature are based on assumptions and involve known and unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. These factors include, but are not limited to: risks associated with the business of the Company; business and economic conditions in the mining industry generally; the supply and demand for labour and other project inputs; changes in commodity prices; changes in interest
