**Lumina Gold Closes C\$9.0 Million Private Placement Led by Ross J. Beaty**

**Vancouver, British Columbia - Lumina Gold Corp. (TSXV: LUM) (OTCQX: LMGDF)** (the “Company” or “Lumina”) is pleased to announce that it has closed its previously announced non-brokered private placement (please refer to the Company’s December 2, 2019 and December 6, 2019 press releases). A total of 18,004,000 common shares (the “Shares”) were sold at a price of C\$0.50 per Share for aggregate gross proceeds of approximately C\$9.0 million (the “Offering”). Ross J. Beaty has subscribed for 9,690,000 Shares, taking his ownership in Lumina from 17.95% to 19.90% on a non-diluted basis.

The net proceeds of the Offering will be used to fund study work at the Cangrejos Project and for general corporate purposes.

The Shares issued in the Offering are subject to a statutory four month and a day hold period that will expire on April 19, 2020. In connection with the Offering, finders’ fees of 4% were paid on the proceeds from certain subscribers to Haywood Securities Inc., Trimark Capital, First Globe Capital International Inc., Echelon Wealth Partners Inc. and Canaccord Genuity Corp.

The securities to be offered pursuant to the Offering have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (the “U.S. Securities Act”) or any U.S. state securities laws, and may not be offered or sold in the United States absent registration under the U.S. Securities Act and all applicable U.S. state securities laws or compliance with the requirements of exemptions therefrom. This news release shall not constitute an offer to sell or the solicitation of an offer to buy securities in the United States, nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

**Cautionary Note Regarding Forward-Looking Information**

*Certain statements and information herein, including all statements that are not historical facts, contain forward-looking statements and forward-looking information within the meaning of applicable securities laws. Such forward-looking statements or information include but are not limited to statements or information with respect to use of proceeds from the Offering. Often, but not always, forward-looking statements or information can be identified by the use of words such as "will" or variations of that word.*

*With respect to forward-looking statements and information contained herein, the Company has made numerous assumptions including among other things, assumptions about general business and economic conditions, the prices of gold and copper, and anticipated costs and expenditures. The foregoing list of assumptions is not exhaustive.*

*Although management of the Company believes that the assumptions made and the expectations represented by such statements or information are reasonable, there can be no assurance that a forward-looking statement or information herein will prove to be accurate. Forward-looking statements and information by their nature are based on assumptions and involve known and unknown risks, uncertainties and other factors which may cause the Company's actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements or information. These factors include, but are not limited to: risks associated with the business of the Company; business and economic conditions in the mining industry generally; the supply and demand for labour and other project inputs; changes in commodity prices; changes in interest and currency exchange rates; risks relating to inaccurate geological and engineering assumptions (including with respect to the tonnage, grade and recoverability of reserves and resources); risks relating to unanticipated operational difficulties (including failure of equipment or processes to operate in accordance with specifications or expectations, cost escalation, unavailability of materials and equipment, government action or delays in the receipt of government approvals, industrial disturbances or other job action, and unanticipated events related to health, safety and environmental matters); risks relating to adverse weather conditions; political risk and social unrest; changes in general economic conditions or conditions in the financial markets; changes in laws (including regulations respecting mining concessions); and other risk factors as detailed from time to time in the Company's continuous disclosure documents filed with Canadian securities administrators. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.*
